ABOUT

As a highly qualified Technical Trainer, I bring **3 years of experience** in delivering exceptional Company recruitment, Product-based, and Service-based training with **BYTX, Xplore and Coin**. My expertise includes content development and designing customized training programs that keep pace with industry trends. I possess excellent communication and interpersonal skills, which enable me to create a collaborative and supportive learning environment. I am proficient in utilizing various teaching methodologies and technologies, making me a valuable asset to any organization seeking a top- notch Technical Trainer.

EDUCATION

B Tech | **Vignan's Lara Institute of Technology and Sciences**
2016 – 2020
